

ANNUAL REPORT 2018-2019

**MENTORING CHILDREN
STRENGTHENING FAMILIES
DEVELOPING COMMUNITY**

WELCOME

Micah House is an educational after school program serving children and youth from 1st through 12th grades. Since its beginnings in 2001, Micah House has been making an impact on the next generation of Redlands youth. Our two locations are strategically located in low-income, high-crime neighborhoods, with a large population of first generation english language learners.

The challenges faced by families in these neighborhoods are tremendous. Our goal is to mobilize volunteers and provide resources that focus on the educational, social, emotional, and spiritual needs of students.

Students receive homework help, tutoring, literacy support, recreational activities, computer training, character-building skills, and nutritious snacks all at no cost to their families. Intentional partnership with families creates a positive influence in the surrounding community.

OUR VISION

MENTORING CHILDREN
STRENGTHENING FAMILIES
DEVELOPING COMMUNITY

OUR MISSION

- Provide a safe place for children after-school in a Godly atmosphere.
- Partner with families to positively influence the surrounding neighborhood.
- Support the public school teachers efforts by helping students with daily assignments.

OUR NAME

Micah House got its name from the Bible verse found in Micah 6:8.
"He has told you, O man, what is good; and what does the LORD require of you; but to do justice, and to love kindness and to walk humbly with your God?" By focusing on the spiritual and educational needs of our students we strive to put this verse into practice in very practical ways.

2 LOCATIONS

We serve students at our two locations:
Chapel St. and Oxford Dr.

LITERACY

Developing strong literacy skills is at the core of what we do at Micah House. Teaching our kids to read, then teaching them to LOVE to read is one of the secrets to the successes of the Micah House program.

Learning to eat healthy and maintain a garden is an essential skill. Master Gardeners help kids learn and grow.

Micah House families had tons of fun finishing a 6 week nutrition class that involved interactive learning, group fitness, and cooking!

STEM projects encourage students in the sciences.

ANNUAL FALL FESTIVAL

The whole neighborhood enjoys the Annual Fall Festival. Below clockwise from top left: Micah House kids at the festival with Mr. George; Officer Roy plays at a game booth; We love our volunteers; Miss Kim and students enjoy the cupcake walk; Kids enjoying sweet treat from Fuente De Vida church.

The Burrage Mansion played host to our first fundraiser. Micah House students competed in a cooking competition with local Chef Jae and diners enjoyed the spoils. Above clockwise from the right: Micah House student learning to cook; Board Member Scott Clayton with wife Erin; Fun tablescapes; Long time friends of Micah House Les and Linda Arnett; Student helpers made the night a success; Special thanks to our event sponsors Maupin Financial Advisors,

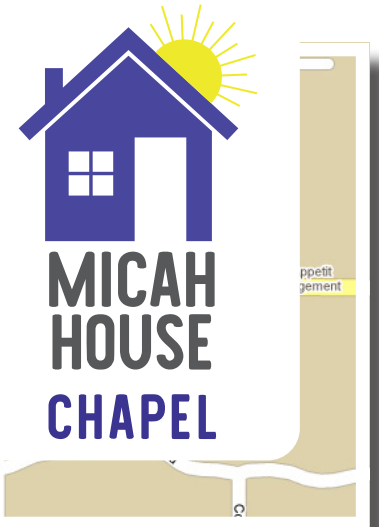

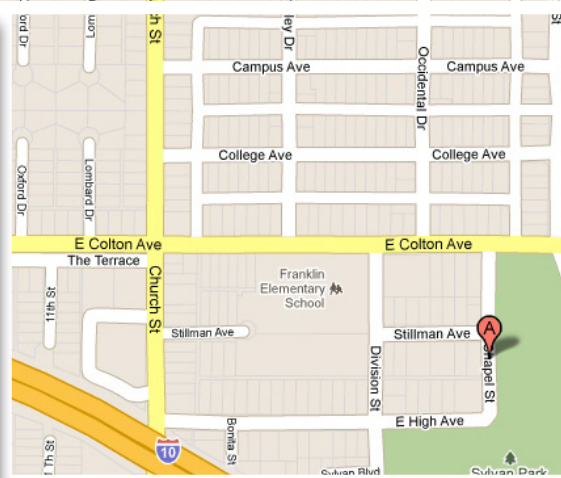

Part of doing well IN school is feeling good ABOUT school. In partnership with the City of Redlands, local businesses and community volunteers, Micah House gave away 1,300+ back packs filled with school supplies.

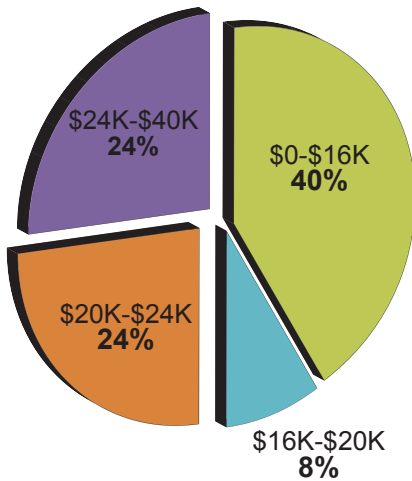

A generous grant from the Redlands Art Association and Redlands Festival Arts provides exposure to different artistic mediums.

LITERACY PROGRAM

Kim Seeburger
Literacy Coordinator

Students are assessed at the beginning of the school year and we are able to strategically pinpoint areas of greatest concern. Our literacy coordinator then works with the school to set and meet yearly reading goals.

Volunteers read with students one-on-one to assist in tracking challenges in phonics, fluency, vocabulary and comprehension.

Students have the opportunity to not only read one-on-one, but participate in comprehension and vocabulary games as well as games that encourage thinking and strategy and help improve understanding and visual discernment.

We evaluate progress throughout the year to ensure students continue to advance in reading level and comprehension.

Volunteers make reading fun when they bring dogs to listen.

Students have access to a library at each location. Discovering favorite authors and reading together is a staple at Micah House.
