ANNUAL REPORT 2017-2018

MENTORING CHILDREN STRENGTHENING FAMILIES DEVELOPING COMMUNITY

MICA

AFTER SCHOOL PROGRAM

HOUSE

WELCOME Micah House is an educational after school program serving children and youth from 1st through 12th grades. Since its beginnings in 2001, Micah House has been making an impact on the next generation of Redlands youth. Our two locations are strategically located in low-income, high-crime neighborhoods, with a large population of first generation english language learners.

The challenges faced by the families in these neighborhoods are tremendous. Our goal is to mobilize volunteers and provide resources that focus on the educational, social, emotional, and spiritual needs of students.

Students receive homework help, tutoring, literacy support, recreational activities, computer training, character-building skills, and nutritious snacks all at no cost to their families. Intentional partnership with families creates a positive influence in the surrounding community. Our staff and volunteers seek to support the efforts of the public school teachers and target literacy needs.

Told Arnold

OUR VISION

MENTORING CHILDREN STRENGTHENING FAMILIES DEVELOPING COMMUNITY

OUR MISSION

- Provide a safe place for children after-school in a Godly atmosphere
- Partner with families to positively influence the surrounding neighborhood
- Support the public school teachers efforts by helping students with daily assignments

OUR NAME

Micah House got its name from the Bible verse found in Micah 6:8. "He has told you, O man, what is good; and what does the LORD require of you; but to do justice, and to love kindness and to walk humbly with your God?" By focusing on the spiritual and educational needs of our students we strive to put this verse into practice in very practical ways.

2 LOCATIONS

We serve students at our two locations Chapel St. and Oxford Dr.

LITERACY

Developing strong literacy skills is at the core of what we do at Micah House. Teaching our kids to read, then teaching them to LOVE to read is one of the secrets to the successes of the Micah House program.

OUR VISION MENTORING CHILDREN STRENGTHENING FAMILIES DEVELOPING COMMUNITY

OUR VISION 2019

EXPANING LITERACY AND COMPREHENSION PROGRAM GROWING OUR NUTRITION OPTIONS EMPOWERING PARENTS THRU EVENING EDUCATIONAL CLASSES

OUR VISION 2020

ENHANCED ENRICHMENT PROGRAMS DEVELOPING A "STEAM" PROGRAM 3RD LOCATION TO SERVE GROWING NEEDS

A generous grant from the Redlands Art Association provides exposure to different artistic mediums.

Part of doing well IN school is feeling good ABOUT school. In partnership with the City of Redlands, local businesses and community volunteers, Micah House gave away 1,300+ back packs filled with school supplies.

STEM project help kids think outside the box.

Healthy eating is always in style.

Reading out loud is one of the best ways to develop confident readers. Reading out loud with a police officer builds trust and encourages the kids.

Reading to a dog makes learning fun.

Kids consider new careers as Redlands Bike Classic teams visit Micah House for a behind the scenes look at professional racing.

LITERACY PROGRAM

Kim Seeburger Literacy Coordinator

Students are assessed at the beginning of the school year and we are able to strategically pinpoint areas of greatest concern. Our literacy coordinator then works with the school to set and meet yearly reading goals.

Volunteers read with students one-on-one to assist in tracking challenges in phonics, fluency, vocabulary and comprehension.

Students have the opportunity to not only read one-on-one, but participate in comprehension and vocabulary games as well as games that encourage thinking and strategy and help improve understanding and visual discernment.

We evaluate progress throughout the year to ensure students continue to advance in reading level and comprehension.

Students typically advance one reading level by the end of the year.

Literacy is not just about reading books, engineering activities help kids thing outside the box and help with math and reading.
